

# Tushar Rai

## Front-End Developer

+91 73188 39557 • [Email](#) • [Linkedin](#) • [Github](#) • [Website](#) • Sikkim

### SUMMARY

Frontend Developer & UI/UX Designer. Curious learner with 1+ year of hands-on experience in Angular and Figma. Focused on building clean, responsive interfaces and improving user experience through thoughtful design..

### WORK EXPERIENCE

#### Web Developer Intern

Jan 2025 – June 2025

National Informatics Centre, Sikkim State Unit, Gangtok

Collaborated with a team to revamp the official Excise Department website, modernizing its infrastructure and user interface for better performance and accessibility.

### PROJECTS

#### Excise Department Website | Angular, Django, PostgreSQL

Revamped the Excise Department website for the Government of Sikkim to modernize public service delivery and internal workflows. Developed a scalable full-stack solution using Angular, Django, and PostgreSQL, enabling secure role-based dashboards. Designed a fully responsive UI that adheres to government accessibility standards. Streamlined multi-step processes for license applications, document submissions, and approvals, integrating API-driven forms and dynamic data handling to improve operational efficiency and user experience.

### EDUCATION

#### Sikkim Manipal Institute of Technology, Rangpo, Sikkim

2021 – 2025

Bachelor of Technology – Computer Science & Engineering.

CGPA: 6.7

#### Govt. Senior Secondary School, Sadam, Sikkim

2019 – 2021

Intermediate Education

Percentage: 72.4%

#### Govt. Senior Secondary School, Namchi, Sikkim

2017 – 2019

Secondary Education

Percentage: 73.2%

### CERTIFICATIONS

**Web Design for Everybody: Basics of Web Development & Coding** - Coursera (University of Michigan)

**The Complete Web Development Bootcamp** - Coursera (IBM)
